EXPERIENCE

Buffalo Bills Scouting Intern

Preseason and Training Camp 2026

- Evaluated the Buffalo Bills safety depth throughout training camp/preseason and presented my thoughts
- Evaluated college safety prospects projecting roles in the NFL, roster fit, and developmental ceilings
- Presented my 53 man roster projection across offense, defense, special teams, and the practice squad based on performance, depth, injuries, and roster value
- Evaluated 14 Cleveland developmental prospects from preseason, producing grades, trait-based reports, and roster projections
- Prepared a Miami Dolphins offensive advance using film and personnel research to identify personnel usage, run tendencies, pass-protection vulnerabilities, and key players

Manning Passing Academy Coach

June 2026

- Originally selected as a field coordinator for the Manning Passing Academy, responsible for organizing field operations, player movement, and practice execution
- Stepped into a coaching role following an unexpected staff absence, leading middle school wide receivers through individual drills and instruction
- Coached a 7-on-7 team in camp competition against teams led by high school coaches and top college quarterbacks
- **Invited to return for the 2027 Manning Passing Academy following prior performance**

Senior Bowl Operations & Communications Intern

December 2025 - February 2026

- Worked directly with Jack Gilmore (Head of Football Operations) and Drew Fabianich (Executive Director) supporting game-week football operations, communications, and event initiatives
- Managed coach schedules, credentialing, media logistics, Radio Row coordination, and community service assignments for American and National Teams
- Wrote official press materials and compiled player career stats and accolades to support Football Operations and game program content
- **Invited to return for the 2027 Game Week to support Football Operations following prior performance**

Phil Savage Scouting School

May 2025

- Completed position-specific film study using trait-based evaluation (Speed, Toughness, Instincts) across multiple positions
- Wrote a full scouting report on an assigned prospect, including background, traits, production, and grade projection
- Received direct critique from Phil Savage on report structure, language, and grading philosophy, and applied feedback to revisions
- Learned professional scouting report writing, draft board construction, and pro personnel evaluation through mock draft exercises

Student Assistant to the OC/QB Coach

November 2023 - Present

- Responsible for weekly opponent scouting reports including film breakdowns, defensive tendencies, and full defensive depth chart with key players, injuries, and statistics
- Serve as the primary offensive signaller on game days, communicating play calls and adjustments from the sideline
- Evaluated offensive recruits, using a personal grading system and putting players into initial buckets
- Attend all coaches' and quarterback meetings, contributing to game planning, film cut ups, and install preparation
- Served as the interim OFF QC, supporting operational tasks and assisting with daily staff needs during the staff's search for a permanent replacement.
